

**Yellow warning
Thunderstorm**

Between
13:00 Mon 19 Jun 2023 and
20:00 Mon 19 Jun 2023

**Heavy showers and thunderstorms
perhaps causing some localised flooding
and disruption.****What to expect**

- There is a good chance driving conditions will be affected by spray, standing water and/or hail, leading to longer journey times by car and bus
- Some flooding of a few homes and businesses likely, leading to some damage to buildings or structures
- Delays to train services are possible
- Probably some damage to a few buildings and structures from lightning strikes
- Some short term loss of power and other services is likely

Further details

Heavy showers and thunderstorms are expected to break out on Monday afternoon. 15 to 20 mm of rain may fall in less than an hour, with perhaps up to 25 mm in a few places, leading to some surface water flooding. Lightning strikes may be an additional hazard.

Showers and thunderstorms will steadily die out on Monday evening.

✓ Medium likelihood of low impacts
